

Recommendation for Tylar Weber

I have had the pleasure of knowing Tylar Weber since she transferred to Saint Joseph's University in the Fall of 2014.

From her first days on campus, Tylar was a leader within her peer group. She initiated a group text with the 45 students who attended the Transfer Student Orientation for the purpose of meeting up for meals and to attend university events.

The next semester, Tylar became a leader within the Transfer Orientation Team. Feedback from Tylar and her peers helped to create the "Transfer Transition Program." The program includes a week's worth of activities that are specific to the needs of transfer students. Tylar openly shares her experience and expertise with new students to help them make the transition to SJU. For four semesters, Tylar has served one of the mentors to the 200+ students who transferred to SJU.

In addition to her commitment to the Transfer Orientation Team, Tylar is involved in many campus activities. She is the editor of the SJU Literary Magazine - The Crimson & Gray, she served as a mentor in the Maguire Scholars 6-Steps to Success Leadership Program for high school students, and she participated in a service immersion trip in the Appalachian Region. Tylar is also a member of the Women's Leadership Initiative and the Gender and Sexuality Alliance.

What makes Tylar so enjoyable to be around is her wide range of interests. Tylar is very artistic and she taps into her creative energy in all that she does. Tylar thinks globally, and she would embrace an opportunity to spend time abroad.

It is without hesitation, that I recommend Tylar for employment. If you would like additional information about Tylar Weber, please feel free to contact me: 610-660-1339.

Sincerely,

Kimberly M. Allen-Stuck, PhD
Assistant Vice President
Student Success & Educational Support
